Section R Child's health

In this section we need to confirm that your child meets a minimum standard of health, which is a prerequisite of the Skilled Migrant Category. Providing accurate information about your child's health status is very important.

These questions list medical conditions for which a medical waiver cannot be granted. People with these conditions cannot ordinarily be granted residence in New Zealand.

If you answered Yes to any of questions R1 to R4, you must provide an explanation of your child's medical condition.
